No. T03-0045

Respondents,

Petition for the construction of a new grade separation to replace the at-grade crossing (AAR DOT # 260-552F) of the Elgin, Joliet and Eastern Railway Company and County Highway 3, Ferry Road in Naperville, DuPage County, Illinois

PETITION

TO THE ILLINOIS COMMERCE COMMISSION:

The Petitioner, COUNTY OF DU PAGE, respectfully represents to the Commission the following:

1. The Petitioner has jurisdiction under the laws of the State of Illinois, being the Illinois Highway Code and Illinois Municipal Code, over County Highway 3, Ferry Road, (hereinafter referred to as "Ferry Road") a part of the DuPage County Highway System, which carries local and regional traffic across the Elgin, Joliet and Eastern Railway Company (hereinafter referred to as the "Railroad") tracks in the east one-half of Section 9, Township 38 North, Range 9 East of the Third Principal Meridian and proposes a grade separation structure be constructed to replace the existing at-grade (AARDOT # 260-552F) crossing at the location shown on Exhibit 'A' attached hereto and made part thereof.
2. The one (1) mainline track of the Railroad is oriented in a north and south direction intersecting Ferry Road in the City of Aurora, Illinois.
3. DuPage County is a growing area of the Chicago metro region. This growth has caused an increase in motor vehicle traffic placing a burden on government agencies maintaining the roads and highways in DuPage County. Ferry Road is an east-west, four-lane Arterial in western DuPage County that extends from Mill Street Road (County Highway 32) to Eola Road (County Highway 14).

4. The current average daily traffic is 6,000 vpd and the train traffic volume is 12 to 18 tpd. The property surrounding the proposed crossing is quickly changing from farmland to industrial with a projected significant increase in traffic of 14,000 to 17,000 vpd by 2020. Additionally, there are studies underway to determine utilization of the Railroad as a commuter line, thus increasing the train traffic.
5. The existing at-grade crossing, AAR DOT # 260-552F, has pedestal mounted flashing lights and tie surfaces installed to accommodate a two lane road.
6. The geometric and general information for both the railroad portion of the crossing and the roadway portion of the crossing are detailed in Exhibit 'B' which is attached hereto and made part thereof.
7. The Petitioner proposes the reconstruction and realignment of Ferry Road with a grade separation structure for Ferry Road over the Railroad approximately 1500 feet south of the existing crossing (hereinafter referred to as the "Project") and agrees to perform the design, permitting, land acquisition and construction of a 244 foot, 3-span precast prestressed concrete bridge, with sufficient clearance to accommodate a second track at 14 feet west of the existing track, and provide for the public health, safety, welfare and convenience for vehicles in the manner and on the terms as shown on the Project plans and specifications for County Highway 3, Ferry Road, Section 95-00289-00-FP/BR which are made part hereof by reference thereto. The estimated cost for the Project is \$15.6 million. The proposed allocation of Project costs and Project schedule are shown in Exhibit 'C' attached hereto and made part thereof.
8. The Petitioner requests that the existing at grade vehicle crossing be closed upon completion of the Project.
9. Resolution DT-0087-99 adopted by the County Board on November 23, 1999, approved the DuPage County Division of Transportation Ten Year Plan for Impact Fees dated October 14, 1999; Resolution DT-0066-98 adopted by the County Board on August 11, 1998, Resolution Dtp-031-98 adopted by the County Board on May 26, 1998 and Resolution DTp-033-99 adopted on May 11, 1999 authorized design engineering and right-of-way engineering for the project; Resolution DT-0035-97 adopted by the County Board on April 14, 1998 authorized the County to enter into an intergovernmental agreement with the City of Naperville and Village of Warrenville for jurisdictional transfer of Ferry Road to the County; Resolution DT-001A-01 adopted by the County Board on March 13, 2001, authorized the reimbursement to ComEd for the relocation of electric towers to accommodate the bridge overpass; Resolutions DTp-097-02, DTp-098-02 and DTp-099-02 adopted by the County Board on November 26, 2002 authorized the

construction engineering; Resolution DT-0006-03 authorized by the County Board on February 11, 2003 awarded the construction of the project and Resolution DTp-026-03 authorized by the County Board on March 11, 2003 authorized the material engineering for construction; these documents indicate the desire and intent of the DuPage County Board that the Project be constructed and have authorized the Division of Transportation to take the necessary steps to construct the Project.

10. Petitioner has coordinated with the Railroad to develop an agreement between the Petitioner and the Railroad regarding the Project, and states further that an agreement is pending at time of filing.

WHEREFORE, Petitioner prays that the Illinois Commerce Commission hold a hearing to extent and the method as may be necessary and proper, and enter such Order, pursuant to subsection (3) of Section 18c-7401 of 'The Illinois Commercial Transportation Law', effective January 1, 1986, as amended (625 ILCS 5/ 18c-7401), regarding a separation of grades by construction of the subject bridge crossing, and closure of the existing grade crossing, apportioning costs thereof, directing an appropriate portion thereof to be borne for the benefit of the statewide traveling public by the Grade Crossing Protection Fund and directing reimbursement in relation thereto when the fund become available, all a may be necessary to preserve, promote and protect the safety and convenience of the public in the premises herein described.

The Petitioner further specially requests that all necessary steps be taken by the Illinois Commerce Commission to expedite, accelerate and advance upon its docket for immediate consideration, the matter of the Petition.

Respectfully submitted,

THE COUNTY OF DUPAGE, ILLINOIS

INTERGOVERNMENTAL AGREEMENT  
BETWEEN THE COUNTY OF DU PAGE AND THE CITY OF AURORA,  
CITY OF NAPERVILLE AND THE CITY OF WARRENVILLE  
FOR THE CONTRUCTION OF FERRY ROAD CH 3  
SECTION 95-00289-00-FP/BR  
FROM IL 59 TO EOLA ROAD

WHEREAS, the County of DuPage (hereinafter referred to as "County") and the City of Aurora (hereinafter referred to as "Aurora"), City of Naperville (hereinafter referred to as "Naperville"), and the City of Warrenville (hereinafter "Warrenville") in order to facilitate the free flow of traffic and to ensure the safety of the motoring public desire to widen, realign, and reconstruct Ferry Road/Bilter Road from IL 59 to Eola Road (said road construction project hereinafter after referred to as "Improvement"); and

WHEREAS, the County, Aurora, Naperville and Warrenville desire to cooperate in the improvement because of the immediate benefit to the citizens of the municipalities and the residents of the County; and

WHEREAS, the 1970 Illinois Constitution Article 7, Section 10 and Illinois Revised Statutes 5 ILCS 220/1 et seq. authorizes the County, Aurora, Naperville and Warrenville to cooperate in the performance of their responsibilities by contract and in the form of other agreements; and

WHEREAS, an Agreement has been prepared and attached hereto. Said Agreement outlines the responsibilities of the County, Aurora, Naperville and Warrenville for the improvement; and

WHEREAS, said Agreement must be executed before the improvement may be initiated.

NOW, THEREFORE, BE IT RESOLVED by the County Board of DuPage County that the Clerk and Chairman of said board be and are hereby directed and authorized to execute the above mentioned Agreement; and

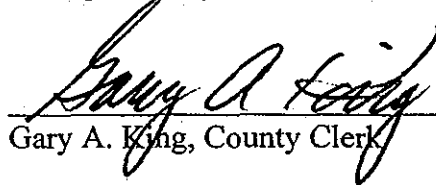

BE IT FURTHER RESOLVED that an original and certified copy of this Resolution and Agreement be sent to the City's of Aurora, Naperville and Warrenville through the DuPage County Division of Transportation and one copy to the Treasurer, Auditor, Finance Department, County Board, State's Attorney's Office, Attn: Nancy Zimmer, and the DuPage County Division of Transportation.

INTERGOVERNMENTAL AGREEMENT  
BETWEEN THE COUNTY OF DU PAGE AND THE CITY OF AURORA,  
CITY OF NAPERVILLE AND THE CITY OF WARRENVILLE  
FOR THE CONTRUCTION OF FERRY ROAD CH 3  
SECTION 95-00289-00-FP/BR  
FROM IL 59 TO EOLA ROAD

THIS AGREEMENT entered into by and between the County of DuPage, a body corporate and politic of the State of Illinois (hereinafter referred to as "County") the City of Aurora, a municipal corporation in the State of Illinois (hereinafter referred to as "Aurora"), City of Naperville, a municipal corporation in the State of Illinois (hereinafter referred to as "Naperville"), and the City of Warrenville, as municipal corporation in the State of Illinois (hereinafter referred to as "Warrenville") and the

W I T N E S S E T H

WHEREAS, the County, Aurora, Naperville and Warrenville, in order to facilitate the free flow of traffic and to ensure the safety of the motoring public desire to improve Ferry Road between IL 59 and Eola Road (hereinafter referred to as "Improvement"); and

WHEREAS, the County, Aurora, Naperville and Warrenville desire to cooperate in the improvement because of the immediate benefit of the improvement to the residents of Aurora, Naperville and Warrenville and the motorists of the County; and

WHEREAS, the 1970 Illinois Constitution Article 7, Section 10 and Illinois Revised Statutes 5 ILCS 220/1 et seq. authorizes the County, Aurora, Naperville and Warrenville to cooperate in the performance of their responsibilities by contract and other agreement.

NOW THEREFORE, in consideration of the above stated preambles and mutual covenants and promises hereinafter contained. The County, Aurora, Naperville and Warrenville formally covenant agree and bind themselves as follows to wit:

1. The County, Aurora, Naperville and Warrenville agree that the scope of the improvement will be substantially as shown in the draft project report dated June 1996, prepared for the County by Harry O. Hefter & Associates and shall include comments made by Aurora, Naperville and Warrenville.
2. The County agrees to provide copies of the phase II engineering plans to Aurora, Naperville and Warrenville for their review and approval prior to advertising for bids to construct the project. Aurora, Naperville and Warrenville agree that approval will not be unreasonably withheld.
3. The County agrees to relocate the sidewalk and bike path further than the 5 foot dimension from the back of curb shown in the draft project report in the city limits of Aurora and Naperville provided that Aurora and Naperville can provide sufficient right-of-way or easements to allow relocation of the sidewalk and bike path.

4. The County agrees to locate street lighting in the median rather than along the curb line.
5. The County agrees to obtain the approval of any driveway or roadway access point along the project length with the respective limits of Aurora, Naperville, Warrenville from the respective cities prior to permitting the new access point.
6. The County, Aurora, Naperville and Warrenville agree that the road shall be named Ferry Road from IL 59 to Eola Road.
7. Aurora, Naperville, and Warrenville agree to dedicate free of cost to the County any Ferry Road or Bilter Road right-of-way that is contributed by a developer. The County agrees to acquire any additional right-of-way required for the project at the sole cost of the County.
8. The County agrees to pay all construction, engineering and other related project costs.
9. The County agrees to coordinate with Naperville and Warrenville to incorporate reasonable modifications to the Ferry Road cross section at IL 59 to address traffic concerns associated with the development proposed at the southwest corner of the intersection and access to existing developed properties on the north side of Ferry Road.
10. Aurora, Naperville, and Warrenville agree to transfer jurisdiction of Ferry Road within their respective corporate limits upon completion of the project. The Ferry Road jurisdiction limits of the various municipalities are noted on Exhibit A.
11. The provisions set forth herein represents the entire agreement between the parties and supercedes any previous oral or written agreements. No oral changes or modifications of this agreement shall be permitted or allowed. Changes or modifications of this agreement shall be made in writing and only upon the necessary and proper signature of the County, Naperville, Warrenville and Aurora.
12. In the event that any provisions of this Agreement shall be held invalid or unenforceable by a court of competent jurisdiction, such holdings shall not invalidate or render unenforceable any other provisions hereto.
13. This Agreement shall be binding upon and inure to the benefits of the parties hereto, their successors and assigns.
14. Photocopies of this Agreement shall be executed and each party shall retain one executed copy each and which shall be deemed an original.
